

LINCOLN

Your Technicians Have Experience,
Apply It Towards Their Ford Certification...

FAST

Ford Accepted Service Training

Qualified Technician + FAST Program = Pathway to Ford Certification

The Ford Accepted Service Training (FAST) program provides equivalency credits to new Ford or Lincoln technicians based on previous:

- OEM Training
- Military Training
- ASE Professional Certifications
- Automotive Degree

To provide technicians a viable path towards becoming Ford Certified.

FAST Equivalency Credits Lead To >>

An active strategy to recruit skilled technicians and...

- ✓ A quicker path to Ford Certification
- ✓ Reduction in training costs
- ✓ Increased productivity
- ✓ Reduction in time away from dealer/retailer

FAST STST Credits

For a complete list of STST courses eligible for FAST credit, visit Fordtech.org/FAST-Courses.

How it Works >>

The FAST program process takes about three business days from submission to response, making it easy to receive equivalency credits!
